Tax Tracking Adjustment of 18.09395% applicable to Customer Charge and Distribution Base Rate amounts as further described in the Property Tax Tracking Adjustment tariff.

Minimum Charge: The Service Charge

Special Terms and Conditions: A late charge of one percent (1%) per month on commercial accounts thirty days past due subject to the same conditions stated in Finding of Fact 38 in Order #5153a.

If a customer terminates service and subsequently request renewal of service at the same address, the Company may charge the customer the monthly fixed charges not paid during the time of termination. Fixed charges can only be recovered from customers during the time of termination. Fixed charges can only be recovered from customers who terminate and renew service at the same address where no other customer has taken service in the interim at that address. Rates for all tariffs are based on continuing service and collection of monthly fixed charges at each service location.
