A late charge of one percent (1%) per month on residential accounts sixty days past due subject to the conditions stated in the Finding of Fact 38 in Order #5153a.

A late charge of one percent (1%) per month on commercial accounts thirty days past due subject to the conditions stated in the Finding of Fact 38 in Order #5153a.

Customers meter size will be determined solely in the judgment of the company based upon the service requirements of the customer at a pressure base of 13.28 P.S.I.A., unless customer load characteristics, in the judgment of the company, require a different pressure base.

Customers using or requiring in excess of 50,000 ccf per month may be served only after securing written consent of the Company. If such consent is given, service may be supplied under special contracts subject to approval of the Montana Public Service Commission.

If a customer terminates service and subsequently requests renewal of service at the same address, the Company may charge the customer the monthly fixed charges not paid during the time of termination. Fixed charges can only be recovered from customers who terminate and renew service at the same address where no other customer has taken service in the interim at the address. Rates for all tariffs are based on continuing service and collection of monthly fixed charges at each service location.
